

Bachelor Degree 2nd Year L2				
Programme Title.	Module Code	Academic Level		ECTS
Rehabilitation level 1st		2nd Year L2		15
Surgery level level 1st		2nd Year L2		7,5
Child level 1st		2nd Year L2		15
Imaging level 1st		2nd Year L2		7,5
Basic Sciences level 1st		2nd Year L2		15
Practical work 1st		2nd Year L2		
Practical work 1st		2nd Year L2		
Practical work 1st		2nd Year L2		
Practical work 1st		2nd Year L2		
Practical work 1st		2nd Year L2		60 ECTS

The training in our Dental Faculty leans on Bologna Process.

We operate with semester from 2nd year until 6<sup>th</sup> year.

The academic year begins generally the first week of September.

First semester from September to January.

The second semester from February to June.

Level of language required for odontology classes :

Under-graduate (bachelor), Post-graduate (Master) : French B2

Doctorate (PhD, Post-doc, staff) : minimum of French C2, very good English

At the end of the semester students must pass exams to validate the semester by obtaining 30 credits ECTS (European Credit Transfer System) as provided exam regulations of the University Paul Sabatier

Bachelor: L2 (2<sup>nd</sup> year)

Please notice that each semester is

divided into 5 major areas:

- 1) Rehabilitation
- 2) Surgery
- 3) Child
- 4) Imaging
- 5) Basic Sciences

In each area they are a group of UT (Teaching Unit).

Bachelor Degree 3rd Year L3				
Programme Title.	Module Code	Academic Level	Bachelor	ECTS
Rehabilitation 2nd level		3rd Year L3		30
Surgery 2nd level		3rd Year L3		14
Child 2nd level		3rd Year L3		5
Imaging 2nd level		3rd Year L3		6
Basic Sciences 2nd level		3rd Year L3		5
Practical work 2nd		3rd Year L3		
Practical work 2nd		3rd Year L3		
Practical work 2nd		3rd Year L3		
Practical work 2nd		3rd Year L3		
Practical work 2nd		3rd Year L3		60
