- Campus University

Images of the past...

Founded in 1839 by a small group of prominent local figures – among them Britain's most successful nineteenth-century Prime Minister, William Gladstone – the University of Chester is one of the oldest higher education institutions in the UK

College Cricket and Rowing Club early 1900's

5-Star Award

Sports Facilities

Facilities

The Chester campus has a wide range of sports facilities, all of which are available for recreation use at varying times throughout the week during the academic and non-academic year across both campuses. Our facilities include Astroturf and grass pitches, squash courts, a fitness centre, a sports hall, and a 25-metre, five-lane swimming pool.

Activities run by the Sport and Recreation staff include:

- Fitness Classes
- Squash League
- 5-a-side Football Tournament
- Swimming Classes
- Staff Family Swimming
- Recreation Swimming Sessions
- Fitness Centres
- Personal Training Sessions

English Language Requirements

English language approved test	Undergraduate requirements	Post graduate and doctorate requirements	Additional information
IELTS	Score of 6.0 overall (minimum 5.5 in each sub skill section)	Score of 6.5 overall (minimum 6.0 in each sub skill section)	Tested in each sub skill

- If you achieve a score slightly lower, you may be able to be assessed via an interview. Please contact the Medea project lead for more information.
- It is essential that you can provide evidence of an IELTS English language qualification as no other qualifications are recognised.
